### **DC Entertainment**

**Batgirls #1:** Batgirls Cassandra Cain and Stephanie Brown are moving to the other side of town where Oracle can better keep an eye on them. The teen superheroes are ready to fight to protect Gotham from villains, but they're still

having some good old-fashioned youthful troublemaking fun--tune in to keep up with their adventures! Written by Becky Cloonan & Michael W. Conrad with art from Jorge Corona. 32 pages for \$3.99

**Green Arrow: Stranded:** After their plane crashes on a deserted island, 13-year-old Oliver Queen must learn the skills he needs to survive and protect his injured father. Written by Brendan Deneen with art from Bell Hosalla. 144 pages for \$9.99

**One-Star Squadron #1 (of 6):** DC's newest superhero team is here to provide service with a smile! All you need to do is send a request via their on-demand hero app and they'll be there for your child's birthday party or an alien invasion. No job is too small or too big! Written by Mark Russell with art from Steve Lieber. 32 pages for \$3.99

**Swamp Thing: Green Hell #1 (of 3):** The last remnants of humanity cling to a mountaintop island lost in endless floodwater. The Parliaments of the Green, the Red & the Rot agree it's time to wipe the slate clean and begin the cycle of life over again--to do so, they need the long-dead Alec Holland's help. Written by Jeff Lemire with art from Doug Mahnke. 48 pages for \$6.99

**World of Krypton #1 (of 6):** Krypton is a utopia admired across the universe for its achievements in science and culture, but its shining towers and regal people conceal a planet rotting at its core. When a catastrophic event befalls them, it points toward a mass extinction that Jor-El and the Science Council must do their best to prevent. Written by Robert Venditti with art from Michael Avon Oeming. 32 pages for \$3.99

### **Denpa Books**
